

# ACHIEVEMENT DAY

## Scholarships and CASE Graduation

### 1. Livestream

We are holding a scholarship ceremony to award scholarships to teenagers ages 17-19. On the same livestream, we will also be celebrating the people who graduated from the CASE pilot.

### 2. Livestream

We are so fortunate to have Roy Juarez, Jr. partnering with us and closing out National Youth Week as our keynote speaker for the Achievement Day webcast. "Juarez fought the battle to leave the streets only to return to them as an activist after finishing college. Juarez has shared his message with over one million students, parents, educators, and service providers in 48 states and seven countries through his work. Juarez and the IMPACT team are continually creating new ways to make a difference and inspire future generations" (IMPACTtruth, Inc.).
