

# INNOVATION DAY

## Scholarships and CASE Graduation

Innovation Day is June 16th! We will have a panel promoting our CASE program (Conflict, Anger, Self-Esteem), and the panel members will discuss their journey with CASE. CASE focuses on being resilient and self-aware while learning how to build healthy relationships. The panelists will also exchange stories of how they manage conflict and will share their tips on Instagram. Eva Analitis, our Lead, believes that Innovation Day “will be a great sharing opportunity to hear from others and get inspired to incorporate some of their tips into our own lives to deal with conflict.”

The livestream is from 2-3 pm CST, and the panel members are Ludjy, Anisha, Zay, and Isaiah, with Jose as the moderator. They have each completed our 10-week CASE pilot and are eager to share what they have learned. We also encourage everyone to take the survey they started with at [www.stateyourcase.us](http://www.stateyourcase.us).

## How can I win a \$50 Amazon gift card?

People who follow these steps will be randomly selected to win!

1. Take 5 minutes to journal, reflecting a time where you experienced a conflict and overcame it
2. Share your journal entry with someone on your team
3. Create an Instagram post with a word/phrase/mantra you use for conflict resolution
4. Caption the post with a couple of your favorite sentences from a teammate's journal entry
5. Tag @nywusa and hashtag.
